

The Controller of your personal data being processed for the purpose of the recruitment process is IIIT spółka z ograniczoną odpowiedzialnością spółka komandytowa, Al. Solidarności 117 lok. 207, 00-140 Warszawa. Contact with Data Protection Officer is possible via e-mail at rodo@officebpo.pl

Your personal data will be processed for the purpose of the recruitment process on the basis of the given consent (article 6 point 1a of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/WE – General Data Protection Regulation, hereinafter referred to as GDPR).

You have the right to withdraw given consent at any time not affecting the lawfulness of processing based on consent before its withdrawal.

Personal data, collected for the purpose of the recruitment process, will be stored for a period not exceeding three years after the date of its obtainment, or until the consent is withdrawn. In case you agree to participate in future recruitment processes your personal data will be stored for a maximum period of six years following your application, or until the consent is withdrawn.

Expected categories of data recipients are: HR department employees and hiring managers, IT service providers, recruitment service providers, including eRecruiter Solutions sp. z o.o.

You have the right to access and request for the rectification or erasure of your personal data. Request for the erasure of data is tantamount to resignation from participation in recruitment process. Furthermore you have the right to request for the limitation of processing in the cases referred to in article 18 of the GDPR, and the right to data portability.

You have the right to lodge a complaint with the President of the Personal Data Protection Office.

It is not obligatory to provide data in application documents but it is a condition allowing participation in recruitment process.

Personal data will not be transferred to a third country.

Data you provided will not be a subject to automated processing and profiling.
